## Medical Care You Trust

Board-certified pediatric care, available when you need it — from newborn through age 21.

### SAME-DAY SICK VISITS

Fevers, ear aches, rashes, stomach bugs. Call before 10a — we'll see your child today.

### WELL-CHILD VISITS

Growth, development, and milestones tracked at every stage.

### VACCINATIONS

Full CDC schedule. Flu, COVID, HPV, and travel vaccines available.

### 24/7 NURSE LINE

A real pediatric nurse answers — day or night. No phone trees.

### SPECIALTY COORDINATION

Cardiology, endocrinology, neurology, behavioral health — we coordinate so you don't have to.

### SCHOOL & SPORTS PHYSICALS

Forms completed same-visit. PIAA-compliant.

## We Support the WHOLE Family

**You're not raising a child alone — and we know it.** Peds 360 + was built for everyone who shows up for a child.

### FOR THE FORGOTTEN HEROES

We see you — and we welcome you at every visit:

- + Grandparents raising grandchildren
- + Aunts, uncles, godparents
- + Foster parents & step-parents
- + Big Brothers / Big Sisters mentors
- + Kinship caretakers
- + Single parents with full plates

Bring whoever brings the child. We'll meet you where you are.

### COMMUNITY PARTNERSHIPS

- + Big Brothers Big Sisters of SEPA
- + Jenkintown & Abington schools
- + Local faith communities
- + Foster & kinship networks
- + Montgomery County family services

*"It takes a village.  
We're part of yours."*

Ask about family wellness sessions — because caregivers need care too.

## Whole-Child Wellness

Integrative medicine, alongside traditional pediatric care — never in place of it.

### INTEGRATIVE PEDIATRIC MEDICINE

Evidence-informed therapies that complement your child's medical plan.

### NUTRITION COUNSELING

Registered dietitians for picky eaters, food allergies, athletes, and chronic conditions.

### MENTAL HEALTH SUPPORT

Anxiety, ADHD, school stress, social struggles. In-house clinicians.

### STRESS & SLEEP MANAGEMENT

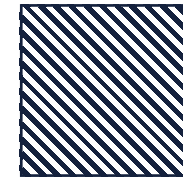

Mindfulness, breathing, and sleep coaching for kids and teens.

### HOLISTIC CARE PLANNING

One plan, one team — medical + wellness providers coordinate behind the scenes.

### FAMILY WELLNESS COACHING

A healthy child needs healthy adults around them.
