INTEGRATIVE PEDIATRIC PRACTICE ·
JENKINTOWN, PA

[Hero image: multi-generational family in a sunlit wellness space]

Whole-Family Wellness. Integrative Pediatric Care.

Jenkintown's first integrative pediatric practice —
caring for children, parents, and the people who raise
them.

360° around your child. Plus everyone who loves them.

Medical Services

Trusted pediatric medicine, delivered with warmth.

- **Same-day sick visits** — when little ones can't wait
- **Well-child checks** — newborn through age 21
- **Vaccinations** on CDC schedule, with parent-partnered conversations
- **24/7 nurse advice line** — peace of mind at 2 a.m.
- **Specialty network** — cardiology, endocrinology, behavioral health
- **In-office labs** and rapid testing
- **School, sports & camp physicals**

Pediatric medicine is one pillar of how we care. The other pillars meet your family wherever life finds you.

Why Families Choose Us

- Board-certified pediatricians
- Bilingual care team
- Evening and Saturday hours
- Patient portal & secure messaging

We Support the **WHOLE** Family

Raising a child is a team sport. We see every player.

Parents are the front line. But behind every healthy child is a wider circle — the people who show up, who carry the weight, who often go unthanked.

We see you:

- Grandparents raising grandchildren
- Aunts, uncles, and cousins stepping in
- Foster and step-parents building new families
- Big Brothers and Big Sisters mentors
- Faith-community leaders and youth pastors
- School counselors, coaches, and teachers
- Single parents doing the work of two

Whoever is raising this child is welcome here.

Community Partnerships

- Big Brothers Big Sisters of Eastern PA
- Jenkintown & Cheltenham school districts
- Local interfaith network
- Foster-care support networks
- Family resource centers

Wellness Services

Integrative care for the whole family — body, mind, and rhythm.

wellness.peds360plus.com

- **Integrative Medicine** — evidence-based, conventional + complementary
- **Nutrition Counseling** — family-friendly, culturally aware, picky-eater patient
- **Mental Health** — anxiety, ADHD, mood, family therapy referrals
- **Stress & Sleep** — tools for kids and the adults who love them
- **Mindfulness & Movement** — yoga, breathwork, resilience
- **Caregiver Wellness** — because you can't pour from an empty cup
- **Holistic Pediatric Care** — child in the context of family, community, environment
